My dear Sir: I am pleased to acknowledge receipt of yours of the 10th instant, informing me that on the evening of January 4th, I was elected an associate member of the Society. I greatly appreciate this honor, and am pleased to enclose herewith my check on the Bankers Trust Company, New York, for $9.00, covering annual dues for the year 1913,- $5.00 and $4.00 for the Journals of the Society for the years 1909 and 1910. With the years 1911 and 1912, which I secured from you when in New York, this will give me the journal for four years past, and I can get a very fair idea of what has transpired during these years. Possibly, later I may want more of the back numbers of the Journal.

I wish to thank you most sincerely for your kindness and attention to me when I called at the Society Building on Tuesday last. Whenever I am in New York I will hope to give myself the pleasure of a call as often as possible.

Very truly yours,

Dear Sir: In February of this year Mr Victor D Brenner completed a life size, low relief model of myself, from which one hundred small bronze plaques, about 3 x 3½ inches, were struck at the United States Mint in Philadelphia. Mr Brenner suggested that you might be pleased to have one of these medals for your collection, and if so, I shall be very glad to present one to the Society.

Dear Mr. Swasey:-

When you were here last spring I think you mentioned the name of a Chinese student at Columbia in whom you were interested. You thought of having him come up to look over our Chinese collection with a view to our learning whether he had any suggestions which might be of aid to us. So far as I can learn he has never done this. Possibly he may have left Columbia? Or did you mean that we were to have invited him?

Dear Mr. Swasey:

You may remember that when I last saw you at the Museum I told you of the Society's failure to secure a rare medal of Queen Elizabeth which had been offered for sale in New York, and you suggested that when similar opportunities arose we might well communicate with our friends and ask for specific assistance.

As you know I believe, we have a very remarkable collection of Indian Peace Medals but lack some important pieces. It so happens that nearly everything we lack is included in a collection to be sold at auction in Philadelphia on December 8th. We are very anxious to raise money enough to purchase some of these medals; it is an opportunity which might not come to us again for many years. Altogether, we would need approximately Two Thousand Dollars, and I have been writing to several of our members, asking if they could contribute something toward this sum. Could you also help us? Unfortunately, the time is short, but the sale catalogue only reached us this morning.

I trust that we may see you again at the Museum before very long.

Very truly yours,

Assist. to Curator

My dear Mr Reilly:-

I have just returned from New York and Washington and was very much pleased to find awaiting me your letter of the 3rd together with the report of the Treasurer, all of which is extremely interesting.

Agreeable to what I said to you, I am pleased to enclose herewith my check for $100.00 to apply on the current account of the Society for the past year and certainly regret that this should have escaped my attention for I remember distinctly my offer to make a contribution some time ago. I certainly hope you may receive sufficient funds to carry the year free from debt.

It was indeed an unexpected pleasure to see the sculptural work of Mrs Clara Sheridan and I must confess that after meeting her and seeing something of the splendid examples of her work, I felt something as Lord Disraelli expressed himself after having been introduced to Mr Charles F. Smith, who was not only very handsome, but a man of fine figure and presence and was the inventor of the electric light, when he remarked that he hardly knew which most to admire, the inventor or his invention.

I am interested in what you have written relative to the proposed addition of Napoleon medals to coins and certainly hope that I may have the pleasure of seeing the collection.

I spent a very enjoyable and restful week in Atlantic City and was in Washington on the day of the Inauguration and had the opportunity of being where I could not only have a good view of Mr Harding, but hear his Inaugural Address as well.

With all best wishes, I am,

Very truly yours,

Ambrose Swasey

Mr Ambrose Swasey,
Cleveland, Ohio.

My dear Mr Swasey:-

Your very kind note of March 10th, enclosing your check for one hundred for our general expenses for 1920, was forwarded to me at my home, where I have been layed up with grippe.

Your cooperation is greatly appreciated by us all, and you must accept our sincere thanks.

We now have no deficit from last year and have taken renewed courage in the problems efore us. Our work is so much heavier this year that we must redou le our efforts to meet the costs.

Mr Noe, our Secretary, sails next month, to contin ue his researches in Europe. He will return in the Fall.

So glad to hear of your satisfactory trip to Atlantic City and Washington. I am tempted to break away for a few days after Easter.

We hope you will feel free to call on us for any service within our powers.

Yours very truly,

AMBROSE SWASEY

My dear Mr Newell:

It is with pleasure that I acknowledge receipt of yours of December 22nd, relative to the additional cases which are required for the Society's collection of decorations and war medals. No doubt you are greatly in need of this new equipment and I hope that you may soon receive sufficient funds to purchase it.

As to my making a contribution for this purpose, inasmuch as the calls are so numerous and urgent just at this time, I feel that it is only a part of wisdom that I should ask that you kindly excuse me from participating.

Hoping that all is going well with you and with best wishes for the coming year, I am

Very truly yours

Ambrose Swasey
